SCHOLASTIC AUDIT TEAM MEMBERS SOUGHT

(FRANKFORT, Ky.) – The Kentucky Department of Education is seeking active and retired teachers, administrators, university faculty members and parents to serve as scholastic audit team members and audit team leads for the 2009-10 school year.

Scholastic audits are comprehensive reviews of the academic performance, learning environment and organizational efficiency of schools and districts. Audit reports are used to determine the type and level of support necessary to continuously improve student academic performance. Teams will submit comprehensive reports that include specific recommendations for improvement.

Audits are required by KRS 158.6455 for schools that do not meet state and federal academic achievement goals. Team members will receive stipends for training and for their work during the audit process.

To apply, individuals may access the Scholastic Audit Request for Proposals (RFP) by visiting <https://eprocurement.ky.gov>. Click on the “eMars Vendor Self Service” image; select Public Access; then, Business Opportunities; then, Search for Solicitations. To view solicitations for the Department of Education, enter 540 in the “Departments” field, then click Browse. The Scholastic Audit RFP will be listed and can be opened by clicking on the RFP number

The closing date for the RFP is Friday, September 11. Applicants who have questions about the RFP must submit those in writing to deanna.tackett@education.ky.gov, and the deadline for submission of questions is noon on Wednesday, August 19.
